## ***Larkharbour Home Boarding & Kennelling Services***

### **SERVICES AND INFORMATION**

What services do you provide?

Home Boarding – We board up to a maximum of six dogs within our home. Dogs can be split into separate areas if necessary. Dogs need to be dog friendly, well behaved, and house trained to be considered for home boarding.

Kennelling – We have three kennels next to the grooming room within the stable block. These are heated and have ventilation fans

Day Care – We provide day care for several dogs on a regular basis. Day care only available subject to availability.

What information do you require?

We have a 'Boarding Intake Form' which must be completed for all dogs. The form records owner and dog details, emergency contacts etc. and is designed to provide all the information we need.

What time can I drop off and pick up my dog(s)?

Drop off and pick up times are by arrangement. Early morning and late evening can be accommodated subject to prior arrangement.

What do I need to Bring?

Food – to ensure the dog remains on its normal diet we ask you to provide enough food for the duration of your dogs stay. If insufficient food is provided the cost of any additional food purchased will be added to the invoice. Dog feeding bowls can be provided if required.

Dog Bedding – some dogs settle better if they have their own bed or blanket however this is optional. We can provide bedding if required.

Do my dogs need to be vaccinated?

Yes, dogs need to be vaccinated. This needs to be confirmed on the intake form and a copy of the vaccination certificate provided.

Kennel cough vaccine is not a necessity. However please note if your dog has had the Kennel Cough vaccine it will not be accepted for boarding for 21 days from date of vaccination.
